

CCC Strategic Solutions Medical Supply

B2B medical and facility supply sourcing for hospitals, clinics, care facilities, and institutional customers — with documented sourcing and procurement-ready documentation.

COMPANY OVERVIEW

CCC Strategic Solutions Medical Supply is a Florida-based B2B distributor of non-prescription medical and facility supplies. We source from manufacturers and qualified distributors, and fulfill orders through those suppliers for hospitals, physician offices, assisted living and residential care facilities, home health agencies, laboratories, and government and institutional buyers.

Product sourcing, lot, and traceability documentation is maintained and provided where applicable and available from the manufacturer or upstream distributor.
